Overall, the 3 numbers of EDPs were highly successful and the activities undertaken by the EDC over the last one year were appreciated by all the stakeholders and guests concerned. The participants who participated in these EDPs will submit a Detailed Project Report (DPR) about their proposed/ existing business enterprises by the end of November 2024. The submitted DPRs will be evaluated by an expert committee constituted by NEC & IIE and the selected proposals will be incubated under the Incubation Centres to be established under the project “*Establish, Develop and Manage Entrepreneurship Development Centre (EDC) And Incubation Centre (IC) in the Educational Institute of North Eastern Region*”. Four numbers of Incubation Centres will be set up across the NE region under the project and Nagaland University Kohima Campus also has been selected as one of the ICs.
